

The Backpack Organizer

By Fionn

The Backpack Organizer

1. I created the backpack organizer.
2. It is unique because it uses robotic hands to organize your school supplies.

Backpack Organizer

Marketing

1. This is perfect for students at school.
2. It is for sale at Target and Costco.
3. I will put up flyers to advertise my product.

Backpack Organizer

Finances

1. It costs \$17 to make each backpack
2. I will sell it for \$100 each.
3. My profit will be \$83 for each one sold.
